ABOUT ME

Highly motivated MCA student at College of Engineering and an aspiring Software Developer with strong problem-solving skills and a passion for technology. Interested in developing robust applications and continuously improving technical expertise.

EDUCATION

MASTER OF COMPUTER APPLICATION

AUGUST 2025 – APRIL 2027

College of Engineering Trivandrum,
A P J Abdul Kalam Technological University
CGPA - 8.82 (1st Semester)
Expected Graduation - APRIL 2027

BACHELOR OF COMPUTER APPLICATION

AUGUST 2022 – APRIL 2025

M E S Asmabi College, Kodunghallur
University of Calicut
CGPA - 8.175 (Overall)

PROJECTS

Asmabees – Hostel Management System

DECEMBER 2024 – APRIL 2025

- Developed a Django-based Hostel Management System, "Asmabees", from December 2024 to April 2025, to streamline critical hostel operations.
- Engineered modules for comprehensive student record management, efficient room allocation, precise attendance tracking, and automated hostel fee processing.
- Utilized Python, Django, HTML, CSS, and SQLite to build a robust and scalable web application.
- Designed and optimized database schemas to ensure data integrity and efficient retrieval of information across all modules.

Small Business Management System

APRIL 2026

- Developing a Small Business Management System using Flutter and Firebase to streamline sales, expenses, and daily business transactions.
- Implemented real-time data synchronization and secure user authentication leveraging Firebase services.
- Designed and built an intuitive mobile interface for efficient transaction logging and financial tracking.

CERTIFICATIONS

Python Django Certificate

- Acquired comprehensive Python Django certification in GrapesGenix Thrissur, mastering web development fundamentals.
- Developed proficiency in backend logic, database integration, and API creation by projects.
- Strengthened full-stack development capabilities, focusing on scalable and robust application design.

LANGUAGES

- English – Working Proficiency
- Malayalam – Fluent / Native
- Hindi – Basic Proficiency

SKILLS

TECHNICAL SKILLS

- Programming Languages: Python, JavaScript
- Web Development: HTML, CSS, Django, Flutter
- Frameworks & Libraries: Django, Flutter
- Database Management: SQLite, MySQL, Firebase
- Mobile App Development: Flutter, Firebase Integration

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Communication Skills
- Decision Making
- Analytical Thinking

HOBBIES

- Coding and App Development
- Learning New Technologies
- Problem Solving
- UI/UX Designing
